

St. Ignatius Athletic Association is looking for new members!
Service Hours Opportunity...

You don't even have to be athletic to join 😊

The St. Ignatius Catholic School Athletic Association (SICSAA) is a volunteer group which exists as a part of the St. Ignatius Catholic School and is open to everyone. The mission of the Athletic Association is to promote physical fitness by recognizing its importance in the complete physical, intellectual, social, and emotional development of each student athlete. The goal of the Association is to provide physical education and supervised competition which encourages maximum participation while promoting good sportsmanship, teamwork, dignity, and accomplishment. Meetings are held on the second Wednesday of each month August - May, 7:00 p.m. in the school cafeteria.

We are especially in need of someone willing to step forward and become the Secretary for this association. It's not a difficult job - there would definitely be training, so don't worry! It's a fun group to work with and you get to meet a number of families from throughout the school system 😊

If you have an interest in becoming the Secretary or becoming an Athletic Association member, please contact:
