FINE ARTS												
Art	Daily Thematic Crafts	Daily Thematic Crafts	Students participate in developmentally appropriate art activities that work to develop and enhance fine motor skills.	Projects integrated with our Catholic culture and classical curriculum units. Projects related to prominent artists and cultures. Particular attention is given to math, science and art history. Students develop the use of various media, tools, elements and principals in art.								
Music / Choir	Daily Music and Movement	Daily Music and Movement	Students work on developing and identifying high/low tones, fast/slow rhythms, loud/soft music as well as an introduction to beats such as "ta, ti-ti, ta-a and rest."	Students develop music vocabulary, are introduced to solfege, and continue to develop beats and rhythms including half and whole rests.	Students expand on previously learned material and participate in a unit on the science of sound	Students are introduced to recorders and instruments of the orchestra. Students practice reading and notating music, sing in groups and as solos, and learn an appreciation for composers and world music as they and participate in a composer study as well as a study in world music.	Students participate in the bell choir, learn about harmonization, arranging music, and are introduced to chords. Students play instruments alone and with peers.	Students play ukuleles through which they learn about chords, ukulele chord charts, tuning and strumming patterns.	Students advance their music skills through the practice of choral pieces. Students sing in 2 or 3 part harmony.			
Band							Students are introduced to basic music reading and performance skills by playing a band instrument (flute, clarinet, alto sax, trumpet, horn, trombone, baritone, tuba, or percussion). Weekly individual or small group lessons leading to band ensemble rehearsals. Standard of Excellence - Book 1	Students continue developing music reading/theory, performance skills, and are introduced to music history. Weekly lesson in small groups or individually and band ensemble rehearsals. Standard of Excellence - Book 2	Students continue developing music reading/theory, performance skills, and continue music history. Individual and small group weekly lessons and band ensemble rehearsals. Standard of Excellence - Book 2 or 3	Students continue developing music reading/theory, performance skills, and continue music history. Individual and small group weekly lessons and band ensemble rehearsals. Standard of Excellence - Book 3 or supplemental materials.		
PHYSICAL EDUCATION												
Physical Education	Students work on developmentally appropriate fine and large motor skills, as well as personal and social responsibility through a curriculum designed to meet the national, state, and diocesan standards for physical education.
