### **Volunteer Opportunities**

St. Ignatius Catholic School thrives off the generosity of our volunteers. Like all Catholic schools, our success greatly depends on the goodness and involvement of our parents, families, and friends who offer their time, talent,

"FOR WE ARE WHAT HE HAS  
MADE US, CREATED IN CHRIST  
JESUS FOR GOOD WORKS,  
WHICH GOD PREPARED  
BEFOREHAND SO THAT WE  
MAY WALK IN THEM."  
EPHESIANS 2:10

### **Day at the Ranch- HELP NEEDED**

Are you looking for a fun way to get in service hours for your family or middle school/high school students? Mr. Paul Anderson's family is hosting an event on their ranch and they need volunteers to grill brats and burgers, supervise children as they play yard games and swim in the pool, and clean up at the end of the day. Two shifts are available and you can sign up for just one shift or both, 1-5pm or 5-9pm. Other families are needed to donate food items like chips and buns which can be dropped off at school before July 15. Please review the [SignUp Genius](#) & sign up today to join in the fun! This event was a featured item in our silent auction at our spring gala, a key fundraiser for our school.

### **Brat Fry Sign-up**

We are seeking volunteers for a burger & brat fry at Piggly Wiggly in Kaukauna on August 5th sponsored by Catholic Financial Life. [Click here](#) to review the available time slots.

and gifts to serve our students and our school community. Research has shown that student success excels with parental involvement. It demonstrates to our children that we are committed to their growth as individuals and to their education. "Service Hours" also offsets the cost of tuition by allowing parents to perform volunteer tasks within the school. In order to keep tuition costs manageable, the school does expect these hours to be services that directly impact the school.

### **Wisconsin International Raceway 50/50 Volunteers Needed**

We are looking for volunteers to sell 50/50 raffle tickets at the racetrack. Have fun while raising

## Staff Updates

Hello, my name is **Olivia Barry!** I am a Michigan native moving to the Kaukauna area sometime around July. I am so thrilled to be teaching biology, chemistry, and math for the Chesterton Academy. I am a recent graduate from Franciscan University in biology. Within my studies I have had a particular emphasis on ecological research, and I am excited to bring an investigative approach to the classroom. In my free time, I enjoy reading, writing, and playing any sort of game. I am a big geek, a fan of Star Wars, Lord of the Rings, and many other stories. As you might guess with biology, I

am a huge animal lover as well. I look forward to jumping into my first year of teaching with you all and getting to know the St. Ignatius School family!

Born and raised in Wisconsin, **Collin Killoren** graduated in May 2018 from University of Wisconsin: Oshkosh with a degree in Philosophy, as well as a minor in Law and Policy. For the past two years, he has worked as an Instructional Aide at St. Francis Xavier Middle School. Collin is eager to use philosophy to invite students on the quest for the true, good, and beautiful. Outside of school, you can find Collin listening to live music, hanging out with friends, or relaxing playing video games.
