St. Ignatius Chesterton Academy News

August 31, 2023

21st Thursday in Ordinary Time

Chesterton students are joyfully easing back into their classes! It is wonderful to have them back into the building, and to welcome so many new faces.

Today, all teachers took the Oath of Fidelity to the

Magisterium of the Church. Did you know that this is something that all Chesterton Academies throughout the world engage in? This action of publicly professing fidelity is an ancient practice in the Church, but one that shows united dedication to our Catholic faith. Particularly in our modern times, this action has taken on a significant importance as we live in a society that finds itself in extreme confusion.

Please see *The Angelus* concerning afternoon pickup.

Mr. Alex Wolf, Head of Upper School

Be sure to read *The Angelus* for additional information about St. Ignatius Catholic School.

Hello St. Ignatius family!

My name is Joseph Cherney and I am a Seminarian for the Diocese of Green Bay. I am excited to be a part of the school for the year, being able to serve students, parents, and staff. This is my fourth year in formation for the priesthood and am currently studying at St. Francis de Sales major seminary in Milwaukee. My parents currently still reside near Kewaunee, WI my hometown and I have one sibling, Amanda.

Prior to entering Seminary, I graduated from Franciscan University in Steubenville Ohio with a degree in Theology and Catechetics and had planned on working either in Catholic education or in parish ministry before accepting the Lord's call to discern priesthood. Being able to apply the skills I have learned as well as walking with each of you is something that I look forward to this year! I am an avid reader, coffee drinker and all around keeper of what some might call "useless information".

I will be praying for all of you as we start this new

year.

God Bless!

Choir Performances

Chesterton students in choir will once again be involved with two events sponsored by our local VFW Post. The first of these will be at Countryside Golf Course on Thursday, Sept. 14. This event will happen during school hours, and further details will be forthcoming. We greatly look forward to honoring our veterans!

Franciscan Advantage Program

St. Ignatius Chesterton Academy will once again be offering the opportunity for credit through the Franciscan Advantage Program. This program allows junior and senior

students to earn college credit through Franciscan University. These credits can be counted toward completion of an undergraduate degree at Franciscan and may also be transferable to other colleges and universities. Students have access to Franciscan Life Online to help foster a vibrant sense of community amongst learners.

This year, St. Ignatius will offer Theology for juniors and seniors. Dr. Moore will be instructing these classes, and will be available on supply drop off night for further information. At that time, we will have further details on the course details. Should you have any questions, please reach out to her at lmoore@stignatiuskaukauna.org.
