St. Ignatius Chesterton Academy News

September 14, 2023
23rd Thursday in Ordinary Time

Dear Chesterton Academy Families,

Classical learning centers on asking good questions. Today, here is your question: why the cross? As you will see in *The Angelus*, we observe the Feast of the Holy Cross today. This was the instrument chosen by God to effectively facilitate our salvation. Therefore, it has literally been held high throughout the ages to make it visible to as many people as possible (thus, the steeples of Catholic churches traditionally have crosses on the top). Have you ever asked yourself why this is? Out of all possible methods of salvation, why did God choose the cross? Today, this would be a fantastic question to ask your children at dinner, in the car, or at any other point. Salvation is only possible through the cross of Jesus.

Today our Chesterton students sang at the Veterans Golf Outing-hopefully you were able to join us! Our students have been very active in the first few weeks of school, not only with their studies, but also in building strong community and planning events for the year! It is truly a joy to have them with us!

Mr. Alex Wolf, Head of Upper School

Cross Country Team Update

Last week Thursday the Cross Country Team competed at the Chilton Invitational Cross Country Meet. There were many good runners from the opposing schools so from a team standpoint we didn't fare as well as anticipated. However, we did have a number of boys record their personal best for a 5K race, so the team continues to improve and are striving to meet the team goals they established. This week we are competing in the Bob Burzynski 33rd Annual Cross Country Invite at Valders High School. The race starts at 5 p.m. Hope to see you there.

Thursday, September 14th - at Valders HS

Thursday, September 21st - at Mishicot HS

Thursday, September 28th - at Reedsville HS

Thursday, October 5th - Brillion at Deer Run Golf Course
